Aug 10, 2020 (AB Digital via COMTEX) -- Our world right now, during these uncertain times, needs leaders who know how to inspire, engage, and get extraordinary results. Leaders who do so, consistently demonstrate courage in four distinct ways. 1) They uncover and share their authentic selves. 2) They say what needs to be said. 3) They declare their leadership legacy and trust the guidance it provides. 4) They are bold and create the extraordinary.

We are excited to introduce Amy L. Riley of *The Courage of a Leader*, who has over two decades of experience developing leaders at all levels and a proven track record of helping organizations get extraordinary results.

In Amy's forthcoming book, *The Courage of a Leader: How to Inspire, Engage and Get Extraordinary Results*, she defines and breaks down the Four Pillars of Courageous Leadership and gives easy-to-understand explanations and real examples from powerful leaders. She shares the outlook, frameworks, and tools needed to be a courageous leader who inspires and gets extraordinary results. Each chapter includes exercises and templates enabling readers to jump in and immediately apply the concepts.

Amy is an internationally renowned speaker, author, and leadership development consultant. She believes "The secret to transforming the world around you is to have the courage to look deep inside and transform yourself first." Her clients include Cisco Systems, Deloitte, and Novartis. Amy earned a Masters of Science in Training and Development (MSTD), with an emphasis in Organization Development (OD), from Loyola University in Chicago, Illinois. She is a Certified Professional Behavioral Analyst (CPBA), a certified Tiara International LLC Coach, and is certified in the Meyers-Briggs Type Indicator (MBTI).

Amy works with organizations that want leaders to fully step into their leadership, boldly achieving what's really important. *The Courage of a Leader* development programs don't stop there. They equip leaders to then enhance and develop leadership in individuals throughout the team, think and plan strategically so everyone's efforts are optimized; and take risks to boldly expand capacity and create new endeavors. Stories from these comprehensive development efforts are shared throughout Amy's forthcoming book.

Her book: *The Courage of a Leader: How to Inspire, Engage, and Get Extraordinary Results* will launch on March 3, 2021.
