

Connect and Work within the System to Achieve Extraordinary Results Exercise

Identify your top three projects or initiatives for which you're most committed to achieving extraordinary results. Write them in the chart below.

For each project:

- Put an X next to each way to connect and work within the system that you are already using
- Put a star next to each way to connect and work within the system that you want to start using

Write the next steps to implementing these new ways to connect and work within the system
